Honolulu, Hawaii 96813

February 13, 2009

Board of Land and Natural Resources
State of Hawaii
Honolulu, Hawaii

**Approval for Supplemental Agreement to Consultant Contract No. 57376, for
Job No. B71DO73A, Ala Wai Small Boat Harbor Infrastructure Improvements
Honolulu, Hawaii, Oahu**

The Land Board approved the permission to hire a Consultant on July 13, 2007. Additional funding for design is now being included for the force main conveying sewage from the pump station to the municipal system. The current consultant contract was awarded to Bills Engineering Inc. for \$71,057.00. Addressing the force main along with the pump station will reduce construction costs of the entire pumping system. Utilizing the same consultant will save time and provide continuity.

This additional work is for a fee of \$15,000.00 and is available through Act 213, SLH 2007, Item H-16.

RECOMMENDATIONS:

1. That the Board award the supplemental agreement to DLNR Job No. B71DO73A, Ala Wai Small Boat Harbor, Infrastructure Improvements, Honolulu, Hawaii for the amount of \$15,000.00. Also recommend that the Board authorize the Chairperson, subject to review and approval by the Attorney General, to enter into a supplemental contract and sign the necessary documents to implement the additional work with the consultant, Bills Engineering Inc.
2. That the Board authorize the Chairperson, subject to review and approval by the Attorney General, to enter into supplemental contracts to address unforeseen conditions and sign the necessary documents to implement the additional work with the consultant.

Respectfully submitted,

ERIC T. HIRANO
Chief Engineer

Requested by:

EDWARD R. UNDERWOOD, Administrator
Division of Boating and Ocean Recreation

Approved For Submittal:

LAURA H. THIELEN, Chairperson
